

Ned went and got into the mud.
Fred saw Ned in his mud,
so Fred got back into the mud.

Ned and Fred ran in the mud.
They sat in the mud.

Kay went to hide in a big pail.
Lots of hail came.
The big bits of hail fell on
the mail and on the pail.

Kay and Jay hid from the hail.
They had to stay under the
mail and in the pail.
They had to wait and wait.
Then the hail came to an end. Rain fell.
The rain was not so cold.
